**Re: *Johnson v. Construction Realty Services Group, Inc., and Trade Off, LLC*
Case No.: 18-cv-09347 (PAE)**

Dear Judge Engelmayer:

My firm represents Plaintiff Javashia Johnson in the above-referenced matter. I write on to provide the Court with a status update as well as request that the Court nunc pro tunc extend the date for the parties to inform the Court of a settlement one additional time, from yesterday, March 6, 2020 until March 20, 2020. I apologize that this letter was not submitted yesterday but I did not hear back from defense counsel, who was out of the office, with her specific consent to the language in this letter yesterday. I do believe it sets forth the parties' position on this matter

The parties continue to make progress on settlement with the assistance of Mediator Kwok. Since the settlement involves a resolution of the Attorney General's investigation, there are a number of issues to resolve which requires additional time. The parties are hopeful that a settlement in principle will be reached by March 20, if not before that date.

Thank you for your attention to this matter.

Sincerely yours,

/s

Jason L. Solotaroff

Counsel for Defendants

The motion for extension of time is granted. The Court requests a joint status update from the parties on March 31, 2020 or sooner if a settlement in principle is reached. SO ORDERED.
